Kindergarten Program:

- Student must be 5 years old by September 5 of application year
- Student must be able to converse in English as Centers of Learning has no bilingual program

Admissions Procedures:

1. Parents complete the application and return it to Centers of Learning.
2. Centers of Learning will acknowledge receipt of the application and arrange an interview. Both parents and the child should attend the interview.
3. Applications are evaluated after interviews have been conducted. The admissions committee meets and evaluates applications monthly throughout the spring. Acceptance notifications and registration materials are mailed to students who are accepted. Students not initially accepted by the committee are placed on a waiting list. Interviews and acceptance notifications continue until all available spots in the program are filled.
